

Faithfully stewarding what God has given, seeking His wisdom, and trusting His provision.

Week 1 (October 4th - 10th) - Steward What God Has Given Us

Prayer Focus: Faithfulness

Scripture - 1 Peter 4:10

Our building does not have to be perfect to be useful to God. What matters is that we care for what He has given us and use it faithfully for His purposes.

- **Thank God for providing a place for Freedom Fellowship to worship and serve.**
- **Pray that we are faithful in caring for and maintaining our current building.**
- **Pray our building would continue to be a tool for ministry.**
- **Pray that we are wise financially with repairs and improvements for our current building.**

Week 2 (October 11th - 17th) - Give Us Wisdom for the Future

Prayer Focus: Wisdom

Scripture - James 1:5

We don't know exactly what the future holds for Freedom Fellowship's location or building needs. There are many things to consider—location, size, cost, ministry opportunities, and the needs of the people God has called us to reach.

- **Seek God’s wisdom rather than simply pursuing our own preferences.**
- **Pray for clarity about our long-term location and building needs.**
- **Pray for unity as a congregation concerning the direction God leads us.**
- **Pray for patience to wait for God’s timing.**

Week 3 (October 18th - 24th) - Do What Only You Can Do

Prayer Focus: Faith

Scripture - Proverbs 16:9

There are opportunities and circumstances surrounding our building needs that are completely outside our control. We do not know exactly how long we have at our current building, but were desire to minister now to our community.

- **Pray the current property owner would make decisions that are gracious and kind to us.**
- **Pray for God to open the door for us to stay longer in our current building if its in accordance with His will.**
- **Pray against any desires to force circumstances that God has not ordained.**
- **Pray for faith to trust Him when we cannot see how things will work out.**

Week 4 (October 25th - 31st) - Trust God with Our Future

Prayer Focus: Surrender

Scripture - Proverbs 3:5-6

We may have ideas about where we should be, what kind of building we need, or how we believe God might provide. But ultimately, our confidence is not in a building—it is in the Lord. Whether God provides through our current property, another property, a future building, or a solution we haven't considered, we want to be ready to follow Him.

- **Pray that we trust God's provisions rather than fear what we cannot see.**
- **Pray for contentment in what God has provided for us in this season.**
- **Pray we have faith to move when God opens the right door.**
- **Pray for patience when God tells us to wait.**
- **Pray our hearts are generous and faithful with the resources God gives us.**
- **Pray that our desire for a building is never greater than our desire for Christ.**
