How then will they call on him in whom they have not believed?
And how are they to believe in him of whom they have never heard?
And how are they to hear without someone preaching?

“And he gave the apostles, the prophets, the evangelists, the shepherds and teachers, to equip the saints for the work of ministry, for building up the body of Christ.

September Prayer Guide

Preparing Our Church for Gospel Conversation Training

“And he gave the apostles, the prophets, the evangelists, the shepherds and teachers, to equip the saints for the work of ministry, for building up the body of Christ.”

Ephesians 4:11-12

Week 1 (September 6th - 12th) - Pray for the Training

Lord, prepare what we are preparing.

We pray for wisdom, clarity, biblical faithfulness, and effectiveness as the Gospel Conversation training is developed and prepared. Pray for those leading the training and that every element would ultimately help us faithfully make Christ known.

Week 2 (September 13th - 19th) - Pray for Understanding

Lord, help us understand our calling.

We pray that our church would understand that proclaiming the Gospel is not merely the responsibility of pastors, missionaries, or gifted evangelists. Christ has entrusted His Gospel to His people. Pray that we would recognize both the privilege and responsibility we have to make Him known.

Week 3 (September 20th - 26th) - Pray for Receptive Hearts

Lord, prepare us to be equipped.

Pray that we would come to the training with humility, eagerness, and a willingness to learn. Pray against fear, apathy, insecurity, or the thought that evangelism is simply “not my gift.” Ask God to cultivate us into a church that wants to be equipped because we want people to know Jesus.

Week 4 (September 27th - October 3rd) - Pray for Faithful Obedience

Lord, prepare us to go.

The goal of training isn't simply attendance or increased knowledge. We want equipped disciples who engage people with the Gospel. Pray for courage, opportunities, wisdom, and faithfulness as we put what they learn into practice.
