

Christmas is one of the wonderful opportunities we have each year to share the good news of Jesus Christ with those around us. While many people celebrate Christmas, not everyone understands the significance of the Savior's birth or the hope that is found in Him.

This November, we want to be intentional about praying for our upcoming Christmas Eve service. Our desire is not simply to fill a room, but to create an opportunity for people to hear the gospel, encounter the truth of God's Word, and consider the wonderful gift of salvation through Jesus Christ.

Let's begin praying now for the people God has placed in our lives. Ask Him to open doors for gospel conversations, give us courage to extend invitations, prepare hearts to hear His Word, and use our gathering to make Christ known.

Our challenge this month: Pray for one. Invite one.

Let's trust the Lord to use our prayers, our invitations, and the proclamation of His Word for His glory!

Week 1 (November 8th - 14th) - Pray for Open Doors

“Lord, open doors for the gospel.”

Scripture reading: Colossians 4:2-8

Identify at least one person you want to invite to our Christmas Eve service. Begin praying for them by name.

Week 2 (November 15th - 21st) - Pray for Courageous Invitations

“Lord, give us courage to invite.”

Scripture reading: Romans 10:13-15

Take the step! Personally invite the individual you have been praying of to join us for Christmas Eve.

Week 3 (November 22nd - 28th) - Pray for Prepared Hearts

“Lord, prepare hearts to hear”.

Scripture reading: Acts 16:11-15

Continue praying for the person you have invited. Ask the Lord to prepare their heart and give them a desire to attend and hear the gospel.

Week 4 (November 29th - December 5th) - Pray for the Gospel to Be Proclaimed

“Lord, make Yourself known.

Scripture reading: 1 Corinthians 2:1-5

Continue praying for those you have invited. Ask the Lord to use our Christmas Eve

service to proclaim His good news and bring Him glory.
